

KEYS TO VICTORIOUS LIVING - KEY TO REVELATION

Pastor Michael Cameneti

Praise God. Aren't you glad for the Holy Ghost? Matthew's Gospel, and we're going to go over into Matthew chapter 16. Glory to God. How many came out expecting to hear from the Lord? Praise God. Matthew's Gospel, chapter 16. We're going to start a new series this morning. We'll just see however the Lord leads, but we're going to start off going in this direction. And course it's a new year and this is really the first time I've had a chance to teach in the New Year where it's not teaching on vision night, like we did Vision Day. And then we had our Holy Ghost Meetings. How many were blessed by that? Praise God. I do want to thank all of you for coming out and I do really honestly want to thank all of you from the bottom of my heart as a pastor that on the night services came out. I really appreciate it. Wednesday night when they lay hands on all those people that they did, all of you stuck with us. We appreciate that so much. We had everyone stay and we appreciate. And then I also want to thank, real quickly, all the men in the church that came out to prayer on Friday night. I know all of you could not come. When

we started prayer at 9:30, we had about sixty-seven guys. By the time I just shared a little bit out of the Word, we had eighty-five guys. And by the time our first session ended, we had a hundred and five men. They're out spending the night to pray. And I appreciate that. That's going to bring change. Not only to the men that prayed but to our church. Amen? And if you didn't come men, you'll want to make a note of it and come. The next time we have it we'll be announcing it. We had some good prayer, praise God.

Well how many are ready for God to just speak to you this morning. The Lord dealt with me in for the New Year, you know, we said to teach-- you know how it is at our church. I teach on specific things. So the Lord gave me this to teach on "Keys to Victorious Living." And how many know there are certain keys in the Word of God that will, if you get a hold of them, you'll walk in victory in your life. God wants you to be an overcomer in this world. He doesn't want you to be defeated. He doesn't want circumstances to defeat you. He wants you to have victory and He made a way for you to have victory. Aren't you glad for that? It's not a struggle to have victory on this earth. God wants you to be a victorious Christian.
